Mitch,

Please find 19 VOQ's from NHTSA regarding the Tacoma issue. This is all they are working from as of today. Some VINs are not provided because the customer explicitly stated they did not want us to have their information, or they simply did not provide the VIN. Please review and let me know what you think of this issue.

Subject Tacoma VOQs

Chris,

Please find attached a spreadsheet summarizing the relevant VOQs we have on this. Green records contain personal identifiers. The red ones do not. Also attached are images of the "green" VOQs.

We look forward to Toyota's technical analysis of this matter.

Best regards,

Greg
